C G6  
when you're all alone consider the cost...  
C G  
of every thing you won ..and every thing you lost..  
Em Amdim  
like a bridge inside a storm that you're affraid to cross  
C D  
take that step ... caution tossed

( chorus)

Gdim Bm  
clouds are just a prelude to a sunny day  
C G  
rain can only mean a rainbow's on the way  
Am Em  
talk is only cheap when you've got nothing to say  
Gdim D  
clouds are just a prelude to a sunny day

(chorus)

C G6  
the rain will come .... And cleanse your blues away..  
C G  
stand inside the storm..let it have it's way..  
Em Am dim  
there is no shelter from....the way you feel today.  
C D  
where there is a will.. there is a way

( chorus)

C G6  
and on the other side ...the sun for you to see..  
C G  
look forward.....to the sunlight.....dancing thru the trees  
Em Am dim  
I hope this helps you see the light you need to see  
C D  
I hope you find the time to spend the day with me..

( chorus)
