A Bm
You say that I knew you When?
G D
But I can not remember then
A Bm
You look familiar. I can see
G D
Whats The reason you remember me?
A Bm
Did we run together or drift apart
G D
Or keep our distance from the start
A Bm
If I say you're wreckless and young
G A
Thats the song that i once sung

(Chorus)

D A G Em
Am I having a senior moment A gap in my memory
D A
I'm Trying to find connection
Bm G
Between you and me
Em A Em A
Did we like each other then Do we connect now
Em C
What's the motive for connecting
C G
What's the dirt beneath the plow

Verse 2

So I will try to reconnect
To the events that fill your head
And i will try when you depart
To understand whats in your heart
Looking back aint all bad
